Best Team

Tell us about your energy team - what do you do, where are you focusing and what impact are you achieving?

How does your team create an inclusive culture, where diverse team members can collaborate and deliver impact together?

What's the biggest challenge your energy team has faced, how did you overcome it, and what did you learn from it?

How has your energy team demonstrated GRIT in the areas of diversity, equity, inclusion and/or sustainability? Please provide several real life examples.

Please share how your energy team role-models, inspires and supports your community to actively improve in the areas of equity, inclusion and/or sustainability.
